11:00 AM – 12:00 PM	Campus Tour <i>(also offered at 9:50 AM & 2:00 PM)</i>	Take a student led walking tour of campus.	Departs from the front steps of the Academic Quad
11:00 AM – 11:50 AM	Faculty Lecture <i>Title: Developing a Sense of Self and Other</i> <i>Faculty: Professor Isobel Heck, Department of Psychology</i>	As adults, we can take for granted our understanding of self and other, but from where does this understanding stem? In this lecture, we'll discuss the emergence of a sense of self during early childhood and the ways in which this understanding is closely tied to children's developing awareness of other people as separate from themselves. These topics fit into a broader area of research on young children's emerging social awareness and thinking, which can provide great insight into the roots of human reasoning and into societal functioning at large.	Room 1400, Wegmans Hall
